Kenya Revenue Authority wishes to inform prospective bidders on amendments to the tender requirements as follows;

No.	Current Requirement	Amended Requirement
1.	Our attention is drawn into Mandatory requirement number 15. Contractual liability policy. We are requesting to have this requirement expunged since it bears a major cost before award of the contract. If possible, make it a post award requirement.	KRA wishes to notify prospective bidders that this requirement has been expunged as a Mandatory Requirement to the tender submission. However, the winning bidder shall be required to submit this requirement prior to contract award.

The clarification forms part of the bidding document and is binding to the bidder. All other terms and conditions of the tender remain the same. You are therefore required to immediately acknowledge the receipt of this addendum.
