ADDENDUM/ CLARIFICATION “SET 1”

2nd JUNE, 2023.

To all Prospective bidders,

REF: TENDER NO.KRA/HQS/NCB -092 /2022-2023 – SUPPLY, DELIVERY, INSTALLATION AND COMMISSIONING OF LOCAL AREA NETWORKS (LANs) FOR KRA IDENTIFIED STATIONS.

KRA wishes to inform the prospective bidders to note the following amendments and clarifications in the bid document and effect the amendments appropriately for the below tender;

No.	Item	Page	Clarification Request	KRA Response
1.	12 CORES SM FIBRE CABLE (Metres)	Page 62/335 line item 1	The fiber requirement is SM while all other termination accessories are MM. Please confirm if this was a typo error.	Prospective Bidders are advised that this are types of fibre cable i.e SM-Single Mode and MM- Multi Mode and need to be responded to without change. Please respond to the tender document without making any changes, as this is not a typographical error.
2.	MM ODF 12 PORTS WITH ACCESSORIES	Page 62/335 line item 2	The required fiber ODFs are 3 meaning there are 3 fiber termination locations. This translates to 6 end to end nodes that needs to be patched to form a link. The requested MM SFP modules are 4 instead of 6. Kindly confirm if this is the right quantity or we can quote for 2 more.	Prospective Bidders are advised that only four (4) quantities of SFP modules are required. Please provide your response to the tender document without including any additional quantity for MM SFP modules.

3.	CAT 6A UTP CABLE (ROLL)	Page 65/335 line item 5	The cable quoted is too short to support the 128 ports that needs to be installed. Please confirm that the extra required cable shall be availed by the client or can we be allowed to adjust the quantities to suit the requirement or we could be allowed to adjust the quantities to match the requirement.	<p>Prospective Bidder are advised that the indicated quantities on the price schedule still holds.</p> <p>Please provide your response exactly as stated in the tender document without making any changes.</p> <p>The software enhancements covers the following scope on reports, work flows or data capture fields to support operations.</p>
4.	12 CORES MM FIBER CABLE (METRES)	Page 72/335 line item 1	Fiber termination is not part of items captured for pricing like in Eldoret Kiptangich House. Please confirm that we can quote for Omissions.	<p>Prospective Bidder are advised that the indicated part of items captured for pricing on the price schedule still holds.</p> <p>Please provide your response exactly as stated in the tender document without making any changes.</p> <p>The fiber termination is included, specifically 108 fiber terminations as indicated in line item 30.</p>
<p>Note:</p> <ul style="list-style-type: none"> Bidders are advised to acknowledge receipt of this addendum published and uploaded on the KRA Website on 2nd June, 2023. 				

The Addendum form part of the bidding document and is binding to the bidder. All other terms and conditions of the tender remain the same. You are therefore required to immediately acknowledge the receipt of this addendum.
