6th November, 2020

To all Prospective bidders,

TENDER NO. KRA/HQS/NCB-018/2020-2021 - CONSOLIDATION AND UPGRADE OF KRA ORACLE DATABASE

RE: ADDENDUM/CLARIFICATION SET "2"

Kenya Revenue Authority wishes to inform prospective bidders of the clarifications highlighted below:

Table 1: Clarification to Bidder's Query

Item	Bidders Questions	KRA's Response
1	1) Storage Upgrade comes basically in two different forms: Vertical upgrade or Horizontal upgrade. a. Vertical upgrade means adding storage cells to the existing Exadata rack. b. Horizontal upgrade means procuring an expansion rack which requires spine switch cabling across the existing Exadata rack and the Expansion rack. Which one are they looking at? 2) To consolidate all the databases on the Exadata X6, we need the database size information to choose the best consolidation approach.	1) Vertical upgrade. 2) Data Size: 17.7 TB
2	Please let us know if KRA have Oracle Enterprise Manager (OEM) installed in the current environment.	Yes. Oracle Enterprise Manager (OEM) is installed

The addendum/clarifications form part of the bidding document and is binding to the bidder. All other terms and conditions of the tender remain the same. You are therefore required to immediately acknowledge the receipt of this addendum/clarifications.
