**b) Clarifications**

S/No	Query	Clarification
1.	What is the main tasks of the drone?	The drone is for surveillance purposes.
2.	Is it an operator remote controlled system, or autonomous drone that follow a constant pre-programmed route? Or both?	The drone is operator remote controlled system.
3.	What is the max flight time (Up to one hour)?	Not less than 6 hours but can fly for more hours depending on the mission.
4.	Is the drone to carry only day/night PTZ camera and data/video communication system? or other equipment as well?	The drone should carry the camera and the communication system.
5.	What is the total distance the drone should fly during each mission?	Not less than 50KM but can go upto 300KM depending on vastness and terrain of the area of interest.
6.	Is the remote control system of the drone portable or fixed?	The remote control system of the drone will be mobile i.e. mounted on a vehicle.

7.	I did not come across any changes in the new tender document for supply and delivery of assorted enforcement equipment.	No changes have been made to the bidding document. However, addenda have been issued which form part of the bidding document and are binding to all bidders. The addenda can be accessed from the e-procurement portal or from KRA's website; <a href="https://www.kra.go.ke/en/component/kra_tenders/tender/261">https://www.kra.go.ke/en/component/kra_tenders/tender/261</a>
8.	Please clarify to us if we can Quote for One item (Drones) instead of all listed items.	You may quote for one item. Bids will be evaluated for each item and the Contract will comprise the item(s) awarded to the successful Bidder.

The Clarification and Extension of Tender Closing/Opening Date form part of the bidding document and is binding to all bidders. All other terms and conditions of the tender remain the same. You are therefore required to immediately acknowledge the receipt of this addendum.
