## ADDENDUM SET "1"

6<sup>TH</sup> MAY, 2022.

To all Prospective bidders,

**REF: TENDER NO. KRA/HQS/NCB-072/2021-2022 – SUPPLY, DELIVERY, TESTING AND COMMISSIONING OF TWO (2) UNMANNED AIRCRAFT SYSTEMS FOR AERIAL SURVEILLANCE FOR A PERIOD OF THREE (3) YEARS**

Kenya Revenue Authority wishes to inform prospective bidders of the following clarifications:

	<b>Item</b>	<b>Clarification Request/ Item Description</b>	<b>KRA Response</b>
1	Joint Venture	Is JV allowed? If yes, what is the maximum number of JV members? Confirm also whether individual JV members have to meet the mandatory requirements, or whether any one member meeting some requirements is allowed, provided all the requirements are met.	The JV is allowed and the number of members are two or more. Under JV, a teaming agreement will be required for the purposes of this tender. The Lead Firm should meet all the mandatory requirements and Tender Data Sheet (TDS) ITT 3.1 on page 17 of the tender document amended to read Joint Venture allowed.
2	SAP Portal Registration	If in a JV, can we submit the tender through the portal account of any of the JV members?	Bidders are advised that the <b>Lead Firm</b> in the J/V should submit the bid.
3	Required Technical Staff	Please clarify whether we can submit the CVs of personnel of the manufacturer, provided they issue us with the manufacturer's authorization letter / distributorship appointment.	The tenderer should submit CVs of their technical personnel as required. However, bidders are allowed to use personnel from the manufacturer as long as a legally binding agreement between the bidder and the manufacturer is availed by the tenderer.
4	Required Previous Experience	Please clarify whether we can submit the previous experience of the manufacturer, provided they issue us with the manufacturer's authorization letter / distributorship appointment.	The bidding firm is required to submit evidence of their previous experience.
5	Required Previous Experience	We have purchased several drones for our own use. Can we use these purchases as part of the experience and	KRA requires evidence of where bidders have supplied drones and are operational.
